*Adviser . . . . .* Emil T. Graf

*We, the class of 1953, gratefully acknowledge our indebtedness by dedicating this thirtieth edition of the Chimrock to Miss Janet Garling. Through her efforts as adviser of the Girls' Athletic Association, sportsmanship throughout the school has improved. The cheerleaders have been on a par with the basketball and football teams throughout the season due to the help given them by Miss Garling. As our class adviser Miss Garling has helped to make our high school days memorable and pleasant. She worked the hardest to make our parties a success. Her willingness to help us not only as a class but as individuals has made her our friend as well as our counselor and teacher.*

# A W O R D . . .

*We, the Chimrock staff, have worked together to produce this annual of memories for you. In it are represented the highlights of the school year, a year packed with joys and sorrows. May this book long serve as a corridor of memories of your school days, days which will never be relived except in the memory of those who once experienced them. May it recall to your mind the school activities, work and teachers, and the innumerable joys provided by these three. This is your book about your school. Therefore, it is our sincere hope that each page will unfold pleasant memories of your days in Hollidaysburg High School.*

## contents

### 1. The People

In the Chimrock of 1953, we have tried to present the faculty and the student body as they appear to us throughout the school year. By combining their efforts, the teachers and students have helped to raise the standard of Hollidaysburg High School to its present eminent position.

## 2. Activities

Extra-curricular activities have enabled us to know and understand each other more fully. Without the various activities, school life would not have been as interesting and pleasurable as it was during the past years.

## 3. Athletics

The records of the 1952-53 athletic teams have been sensational. As a result of their commendable sportsmanship and unparalleled spirit, our athletes have bestowed many fine honors upon our Alma Mater.

THE PEOPLE

*They have made our high school days unforgettable . . . . .*

## Board of Education

MR. HAMILL

The most important single unit in any school system is the Board of Education. In Hollidaysburg, this is certainly true. The members of the Board, being business and professional men, are well aware of the changing demands of our modern day civilization. They spend at least ten hours each month seriously considering means of enabling Hollidaysburg schools to meet these demands. For example, they have authorized a Driver's Education Course in the Senior High School. A new classroom and a garage for the teaching of this course have been added to the High School.

There are many problems facing the Board of Education in the future; the most important is the provision of accommodations for the many new students in the Hollidaysburg School system.

We are certain that, under the able guidance of the Board of Education, H. H. S. will bare the future with confidence.

---

EDUCATION IS EXPERIENCE AND  
EXPERIENCE IS LIVING

J. HARRY HENSHAW  
*Superintendent*

A child learns by experience, both direct and by performed substitution. The school tries to provide the experiences which will promote the growth of the individual. One might get the impression that teaching in the classroom is the only important place for pupils to gain experience. Subjects, textbooks, units and activities tend to call to mind classroom experiences. Recently, there was developed a general recognition that learning experiences other than classroom experiences have educational value.

The out-of-class activities of the school are well known. Athletics, musical events, clubs and publications have interested both youth and adult. Assembly programs, safety patrols and Junior Red Cross have captured the fancy of our younger groups.

Where are the pupils getting their experience? In schools, of course. But what about the bus load of pupils leaving the county court house or the local factory? What about those pupils visiting the zoo or those boys working in the auto factory? Are they getting their experiences in school or out of school?

We may say then, educational experiences are gained through classroom activities, out of class activities and school activities in the community. School walls are no longer lines of demarcation between school and community activities. The modern school provides experiences for youth in many places, mostly in the school, but frequently away from school.

The following pages of this book should give our readers an idea of the scope of contributing factors to education in "Today's Schools."

## Superintendent

Straw and Shaw work diligently.

GRIFF JONES  
*Principal*

## Principal

"Attention Please!"

The 1952-53 school year has been an outstanding one for Hollidaysburg. We have experienced some new situations which have been of great value in helping to develop us as individuals and as a school. The great records of the athletic teams have given the school an opportunity to show its ability to be gracious winners. The new course in drivers education has proved to us that there is more to driving than just steering the car and shifting gears. The challenge given to the student body by Howard Davenport of the Bell System opened new horizons for which all may strive.

John Dewey, the noted educator from Columbia University, once said, "We learn to do by doing." Hollidaysburg High School endeavors to present a wide variety of experiences for you so that you may learn. The scholastic, social, and athletic programs are arranged so that each may become a well-rounded person. Are you taking advantage of the opportunities?

"Do you think it will explode?"  
Mr. Harden looks on.

"I don't get it."  
Keep your eyes on the copy.

There is teamwork in basketball, and there is teamwork in football. There is also teamwork among our faculty advisers in preparing each graduating class. They work hard to prepare us for the world we are about to meet, a world which is entirely different from that of our protected school life.

However, our Faculty's work is combined with pleasures such as picnics and dinners. Of course, these are only minor pleasures compared with that of teaching. Developing a human mind in a successful way, must give our advisers a feeling of self-satisfaction.

The class of '53 is very grateful to these, our faculty advisers. We shall try to do them justice by using the knowledge, which they have passed on to us, to the best of our ability.

# Seniors 1953

## OFFICERS

<i>President</i>	ALLEN GRIFFITH
<i>Vice-President</i>	ED SOYSTER
<i>Secretary</i>	PATSY STRAYER
<i>Treasurer</i>	ALICE WAITE
<i>Adviser</i>	MISS JANET GARLING
<i>Class Flower</i>	WHITE ROSE
<i>Class Colors</i>	BURGANDY & WHITE
<i>Class Motto</i>	BE YOURSELF

When the class of 1953 entered Hollidaysburg Senior High, it was an all-around class. It had outstanding talent in art, dancing, and music, plus many actresses and actors.

During the Junior year, the big event was the Junior-Senior Prom. The theme was "The Orient." Many weeks were spent making cherry trees, building pagodas, and painting silhouettes. The Prom was a gala event which added the final touch to the year for the Seniors and gave the Juniors something to look forward to the

following year. Other highlights were the Junior class party in December and the class play which was directed by Miss Dickey and resulted in a sellout.

During the Senior year the highlights were the Christmas assembly, the prom, the class party, and the class play which, under the direction of Miss Williams, was very successful and enjoyed by all who attended.

The seniors took quite an active part in all sports, in the band, in the choruses, and in all the fun at "dear old H-Burg High."

The Senior Officers take time off.

## OFFICERS

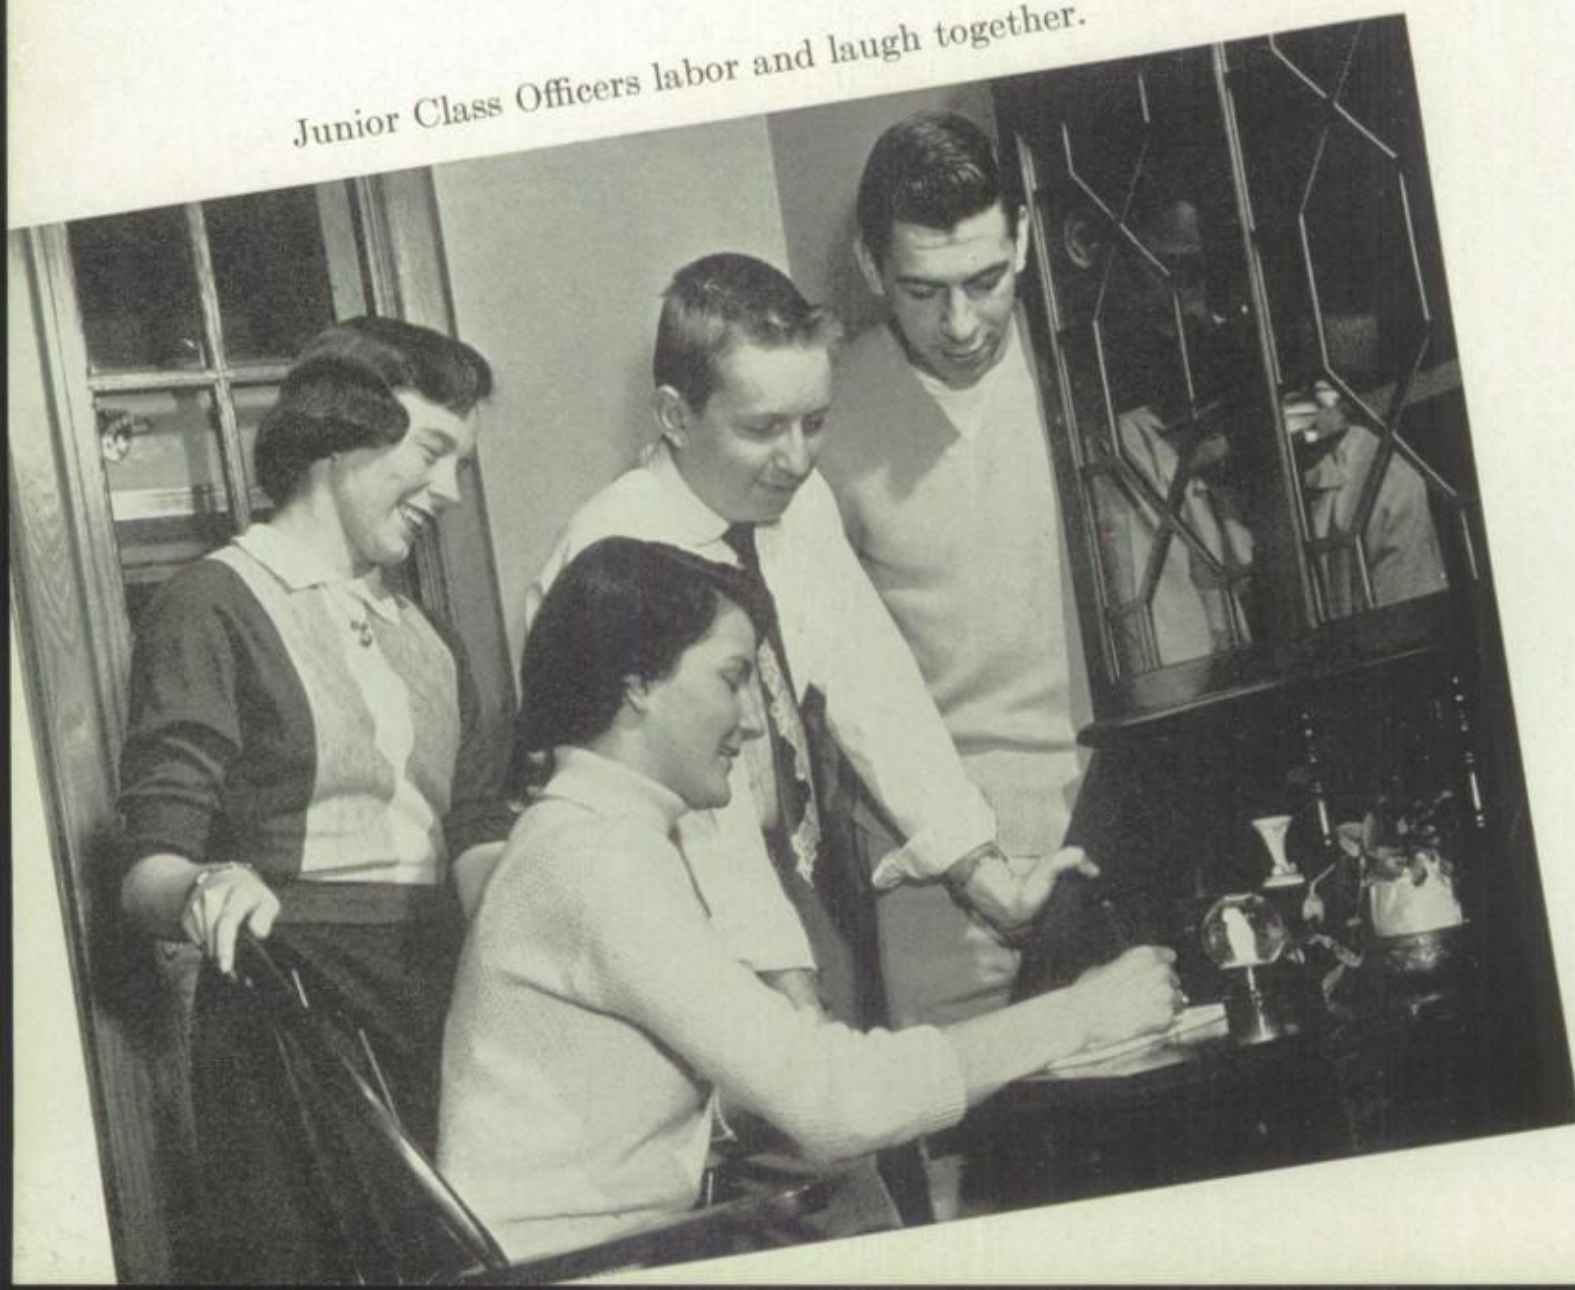

<i>President</i>	MARCY CRISTE
<i>Vice-President</i>	JOE HARPSTER
<i>Secretary</i>	WANDA BERINGER
<i>Treasurer</i>	BONNIE KENSINGER
<i>Advisers</i>	MR. JOSEPH GALLAGHER MR. RAYMOND MILLS

The Junior Class was well on its way by 1953. The class held its party in April. This went over with a bang, indicating that everyone thoroughly enjoyed himself.

The Juniors gave their class play in March. "Come Rain or Shine" was a rollicking comedy, full of fun, with insight and warm affection beneath the merriment. The play was directed by Miss Williams and was very successful. They started practicing quite early in February, and were rewarded by the praise of their acting.

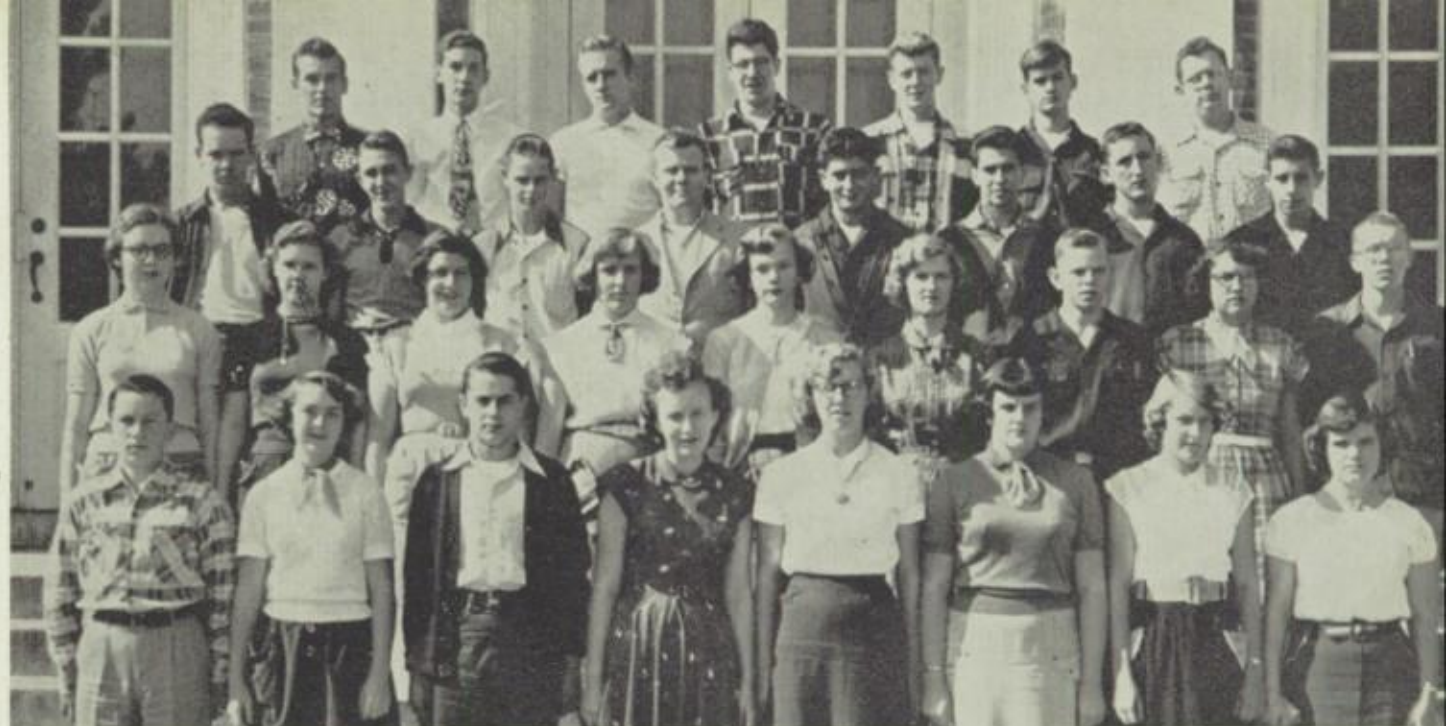

Even before practice for the play began the Juniors were working on a theme for the Prom. When the theme was chosen, they went to work on decorations, favors, and all the small details to make the Prom in May a big event for Juniors and Seniors alike.

Junior Class Officers labor and laugh together.

First row, left to right: Curtis, Closson, Reilly, Reilly, Johnston, Templon, Wilt, Thompson.  
 Second row: Thomas, Oler, Ham-maker, Eger, Reep, Kelly, Shoe-maker, McLucas.  
 Third row: Claar, Lowery, Burket, Keller, Cobler, Luther, Miller, Horner.  
 Fourth row: Prough, Drass, Brennan, Graham, Helsel, McCandless, Hartman.

First row: Sheeler, Bender, Wyandt, McCready, Cummings, Lusardi, Rutherford, Mento.  
 Second row: Smith, Dively, Piper, Magill, Manning, Ritchey, Weaver, Shade, Buterbaugh.  
 Third row: Bickers, Mathias, Baker, Hughs, Stiffler, Cruse, Grove, Helsley.

First row: Yeckley, Benton, Keagy, Hanks, Bice, Barroner, Shoenfelt, Harker, Hann.

*Second row:* Lee, Smith, Walker, Keefer, Edmundson, Bottenfield.  
*Third row:* Young, Maudy, Smith, McClelland, Heininger, Hite, Gray.

# Juniors

# Sophomores

The weaker sex prevails.

Although the Sophomores were only starting at Hollidaysburg High in 1953, they did very well for themselves. They were very active in all sports and were well represented in the band. They all entered into the "swing of things" from the start. The girls were not to be out done by the boys; so they, too, entered into intramural sports, chorus, and the noisy congestion of the halls.

Along with spring came the class party for the Sophomores. As all will agree, April is a perfect month for a party; therefore, it was quite a success.

These underclassmen of 1953 will be the upperclassmen of 1955.

## JUNIOR REPRESENTS SCHOOL AT STATE BAND

Something wonderful must have been going on every Monday night last summer and in every 7th period band class because our band certainly excelled this year in talent.

During football season the band was a great asset to our school. One Friday they told the story of two alumni by making different formations for each phase of the story. Another time they represented Pan-American countries by musical numbers. They really helped cheer the team on to victory with their music.

Ten members of the band were sent to District Band which was held at Martinsburg. Norma Mountain was chosen to go to State Band, thus bestowing another honor on our school.

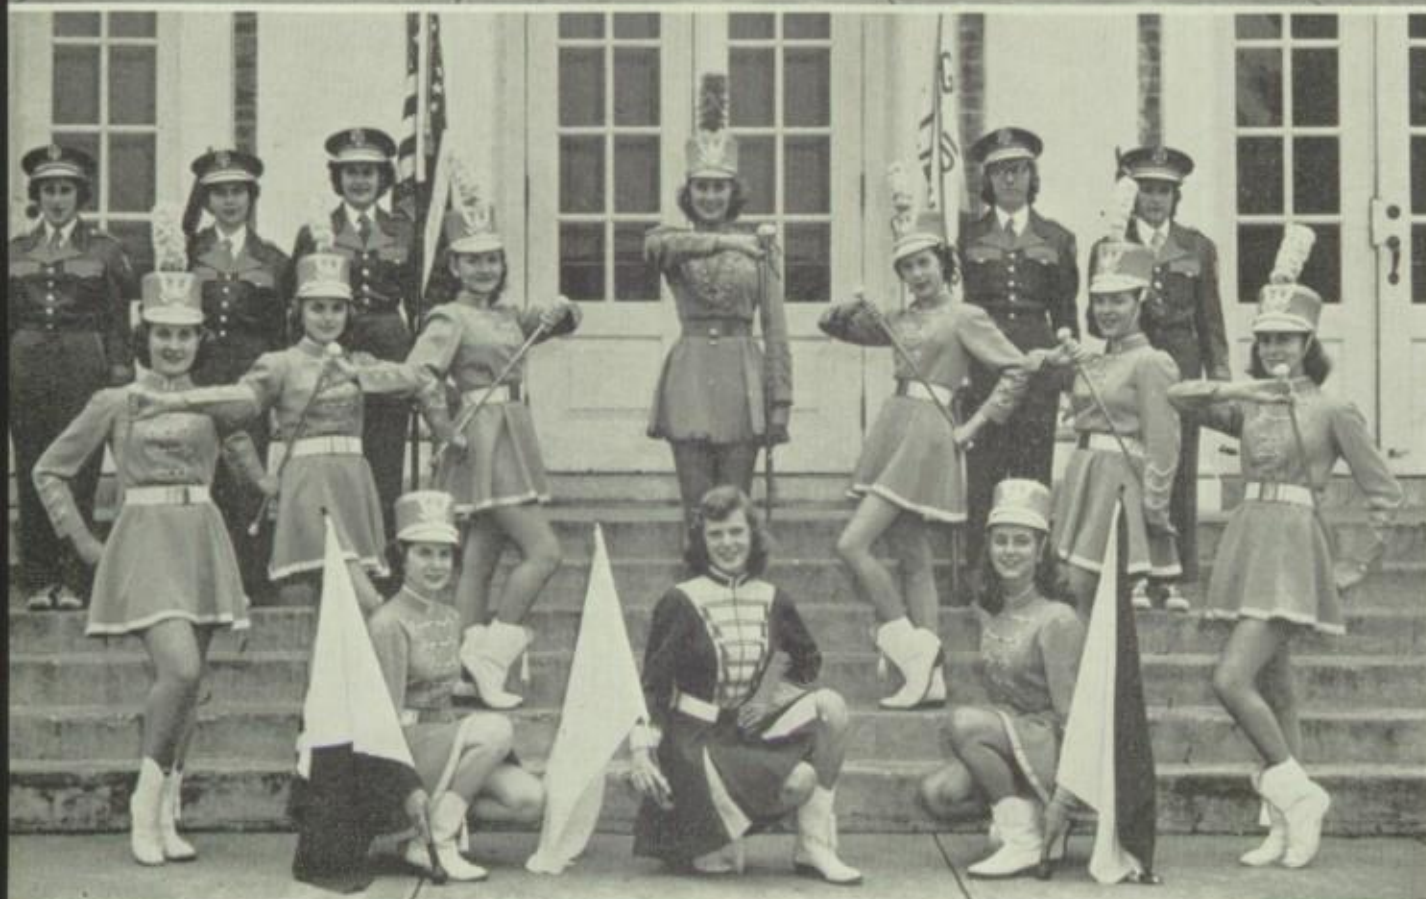

The band marched in many parades throughout the year, always making Hollidaysburg Senior High students and the people of Hollidaysburg proud.

Congratulations, Mr. Treese, for leading the band through a very successful year. We seniors will certainly remember you.

*First row, left to right:* Harker, Thomas, Shaffer, Berkheimer, Meadows, Truby, Truby, Waite, McTigue, Magill, Weyandt, Fleck. *Second row:* Langham, Templon, Saksa, Trexler, Suter, Troxell, Denning, Burke, Shade, Wilt, Fox, Bowser. *Third row:* Miss McGregor, Kensington, Wolf, Leach, Suckling, Kelley, Klepser, Slippey, McGee, Meyers. *Fourth row:* Duff, Soyster, Graham, Marshall, Rhodes, Ulsh, Clark, Gearhart.

# M u s i c

## SCHOOL WELCOMES COUNTY CHORUS

### Mixed Chorus

The mixed chorus was very active this year. They sang in assembly on Armistice Day, Thanksgiving and Christmas. County Chorus was held in our school. Singers, representing schools from all of Blair County, assembled here on Friday, May 1 to practice for the concert which was given on Saturday, May 2. Susan Truby, Alice Waite, Gretchen Truby, Bonnie Meadows, Ed Soyster, Max Gearhart, Wayne Ulsh, Paul Meyers, Eric Klepser, and Jim Rhodes were chosen to be sent to District Chorus held in Clearfield. One student was elected to go to State Chorus at Kittanning. All in all, our mixed chorus, under the excellent direction of Miss Dorothy McGregor, had a very successful year.

### Majorettes

The 1952-53 Blue Band could not have gotten along without the high-stepping feet of six majorettes: Jean Smith, Bonnie Hayes, Mary Brumbaugh, Betsy Swope, Sandra Kratzer, Sue Fox; and three Flag twirlers: Charlotte McKendree, Virginia Berkheimer, and June Kreiser. The definite signals given to the Blue Band at the exact second by head majorette Connie Calvin were an important asset.

In front of the band with twirling batons and fancy steps, these girls could be seen at parades and games at half-time throughout the year.

"To create, maintain, and extend throughout the school and community high standards of Christian Character." These words may be heard in the "Y" during the meeting of the Chimney Rocks Hi-Y Club.

The newly formed Hi-Y Club, the first in Hollidaysburg for several years, is composed of high school boys who follow the four principles of the Hi-Y, which are: Clean Speech; Clean Sports; Clean Scholarship; Clean Living.

The Hi-Y, under the guidance of John Woodcock Jr., has participated in several community projects during the year. The members assisted the Salvation Army in their annual fund-raising campaign, and participated in the Hollidaysburg Merchant's Christmas parade.

The Hi-Y has enjoyed varied programs at the regular meetings. Business and professional men in many fields have spoken to the club. They have entertained the club by lectures on baseball, law, the armed forces, basketball, golf, and football. The members of the club have also enjoyed many social events among themselves.

It is hoped that the Chimney Rocks Hi-Y Club may continue to grow in H-Burg High in the future as it has in the past.

# Hi-Y

## OFFICERS

<i>President</i>	ALLEN GRIFFITH

Second row: Wilt, Griffith, O'Brien, Park, Chamberlin, Leach.  
Third row: McCandless, McNelis, Benson, Marshall, Hughes, Helsel, Criste.

Cast for the Senior Class Play.

# Senior

Under the direction of Beverly Williams, the seniors produced a "smash hit" entitled "And Came the Spring." The play was presented in the Junior High School Auditorium on December 11 and 12.

"And Came the Spring" is the brightly humorous and straightforward story of the Hartmans, a pleasantly typical American family, who enjoy a reasonable amount of quiet and peace until Spring enters the scene—to stir the blood and lift the heart. On the first day of Spring vacation, Midge, the youngest, finds herself surprisingly in the throes of first love. A charming and lovable hoyden is Midge—complex, alive, and warmly human. She thinks nothing of starting whirlwinds or even tornadoes to impress casual, witty Buzz Lindsay, the young gentleman of her choice—who is unluckily in love with older sister Virginia.

Midge disrupts brilliant brother Elliott's carefully planned life as a writer of tragic novels; she plays havoc with the hearts of several other young people, including a visiting New York glamour girl and a bashful boy who really cares for Midge herself—in short, the sanity and well-being of everyone concerned. However, by the end of the week the three Hartman children have taken important steps toward maturity, and their parents have learned a few things too.

Party line Snooper!

# Class Play

Actions speak louder than words!  
I've used "Hadacol" for fifteen years.

Senior Class Play Ushers.  
"Why so glum Chum?"

# 1953 CHIMROCK

Co-Editors get together for ideas

Under the direction of Mr. Emil Graf, adviser, the Chimrock staff of 1953, despite differences of opinion, mixups, mistakes, and hot tempers, functioned smoothly to produce your annual.

Several innovations, including the elimination of the obsolete theme idea and an aerial view of the school, were introduced in the 1953 Chimrock. Otherwise, the assembling of the book was similar to that of all former books. The collecting of advertisements, selecting of pictures, and writing of articles kept staff members busy throughout the 1952-53 term.

The sale of Chimrocks was held in January with receipts for six hundred books being necessary to assure publication.

Everyone concerned had some anxious moments when early sales were lower than desired. However, a last minute rush pushed the sales to the required figure and Chimrock publication was assured.

"What ledger does this go in?"

Our advertising staff gets underway.

Amateur Michelangelos get started.

The who, what, where, when, and why of the Hollidaysburg High School could be found in the H-Burger, the monthly school publications. The paper not only supplied the news of the school, but also furnished an opportunity for approximately fifty budding journalists to demonstrate their writing abilities.

In each of the issues one could find an account of the various activities. Individual sport events and also season records were given in each issue. Social functions were not neglected. The H-Burger carried full accounts of all parties, assemblies, noon-time activities, and the various school club programs.

The paper was well represented by the Sophomores, Juniors, and Seniors at the press conferences held at Claysburg and Altoona High Schools.

The journalists sponsored the annual Valentine Ball, which was the highlight of the staff's social activities. The dance was held in the school gymnasium on February sixth. The traditional Valentine's Day colors adorned the gym. Bill Heilmier's band furnished the music. The highlight of the ball was the crowning of the king and queen selected in an election supervised by H-Burger representatives. Queen Connie Calvin and King Edward Soyster reigned. Their Senior attendants were Bonnie Hayes and Bruce Fox. The Junior representatives were Bonnie Kensinger and Marcy Criste. Representing the Sophomores were Ann Marie Denning and Scott Stultz. After the coronation, refreshments were served by the H-Burger Staff.

# Student Council

## OFFICERS

<i>President</i>	WILT
<i>Vice-President</i>	DENNING
<i>Secretary</i>	CUMMINGS
<i>Corresponding Sec.</i>	LAMBERSON
<i>Treasurer</i>	HARPSTER

"Attention please! At noontime and after school today the Student Council will be displaying its 'lost and found' articles. If at any time you have lost some article, check to see if it has been found." That was an occasional announcement heard by the student body.

The well-organized Council, among other things, took care of lost articles consisting of everything from key chains and umbrellas to marbles and treasured pictures.

It was this same Council, too, that played a vital role in promoting cooperation, good conduct, and good sportsmanship throughout the school. Other projects in charge of the Council were the trimming of the Christmas tree and carol singing during the Christmas season, dancing during the noontime period, and the Easter social.

The Council is composed of representatives from all homerooms, and from this group the officers are elected.

*First row, left to right:* Kratzer, Downing, Magill, Montgomery, Cummings, Lowery, Langham, Leonard, Bender.

## Tri-Hi-Y

### OFFICERS

President	CAROLYN DOWNING
Vice-President	WANDA BERRINGER
Secretary	JANET PRICE
Treasurer	PATSY STRAYER
Chaplain	JANICE MCCALL
Advisors	MISS PATSY STRAW MRS. IRVIN KEISLING

*"To create, maintain, and extend throughout the school, and community, high standards of Christian character,"* was the ultimate purpose of the Tri-Hi-Y Club for 1952-53. To the ninety junior and senior girls, this purpose had a truly deep meaning.

Tri-Hi-Y Club meetings were held biweekly on Tuesdays. Committees were formed to help the club perform more efficiently. Each meeting was opened by devotions and a business discussion, and the meeting was then turned over to the program chairman. A speaker was procured for each meeting or a panel discussion of teen-age problems was held.

The annual Sadie Hawkins Hoe-Down proved to be enjoyable for all the Daisy Maes and Lil' Abners. The vegetable corsages and costumes were very amusing.

Other social activities were the informal initiation of new members, a Christmas party, and a Valentine and Easter project. Climaxing these was the annual banquet held in May.

During the year the club members served at many banquets at the "Y", canvassed the town in the March of Dimes campaign, gave food baskets to the needy at Christmas, and took charge of a special Tri-Hi-Y assembly.

b s . . .

*First row, left to right:* Leach, Fink, Shaw, Smith, McTigue, McCall, McCoy, Kratzer, Treese.  
*Second row:* Filson, Weyant, Klein, Berkheimer, Richards, Dibert, Teeter, Fox, Lenehan, Benton.  
*Third row:* Langham, Lowry, Glunt, Hubbard, Truby, Cannarsa, Wilker, Burket, Donovan.  
*Fourth row:* Helsel, Cutabaugh, Trexler, Denning, Meadows, Appleman, Renner, Matthews, Wilt, Wilt.

"Hey Sue, are you going to club tonight?"

"Sure am! Wouldn't miss it for anything. I hear we're having a speaker and a discussion on teen-age problems tonight."

This is just one of the many things done by the Tri-Hi-Y Cadets, which is made up of girls in the sophomore class of school. The purpose of this club is to train the girls to have better Christian characters.

For their social affairs, they have had a hayride, swimming party, popcorn parties, etc.

Besides the social side of the club, there is the project side in which the girls made up baskets for gifts around Thanksgiving, visited many homes with their carols around the Christmas season, and repaired toys for needy children. Even these, when working with fellow club members, can be turned into fun.

We know the girls will keep up their good work and attendance and become vital parts in Tri-Hi-Y next year. The club has been successful under the leadership of the following officers.

## Projection Club

The Projection Club, under the able leadership of the officers, President Elda Drass, Vice-President Jim Luther, Secretary-Treasurer Nancy Suter, and Adviser Mr. Graf, proved to have a successful year.

The meetings were held after school the first and third Tuesday of each month. Special meetings were called at lunch time when it was necessary.

The purpose of the club is the training of the members to operate and make minor repairs to the projectors and other audio-visual equipment. The members, with the aid of the projectionist's manual entitled "ABC's of Visual Aids," and an experienced projectionist, were able to become capable projectionists.

The program committee, consisting of Jim Luther, Carol Brady, Glenn Clapper, and Donna Piper, planned the programs for the regular meetings. The programs varied from speakers to demonstrations of visual education equipment.

Dues were paid each semester. At the beginning of the year, decals of the H-burg Tigers were sold. Later a dance was held after a basketball game to raise money for in the treasury.

Some of the club members aided the public by operating machines during club lectures, meetings, or social events.

Clu

*First row, left to right:* McCall, Brady, Reid, Shade, Wilker, McTigue, Morgan.  
*Second row:* Mr. Graf, Johnston, Bowser, Strayer, Suter, Price, Piper.  
*Third row:* Drass, Brubaker, Clapper, Cann, Parks, Luther, Eicher.

During the school year the Future Farmers of America Organization held two meetings per month. One meeting during the school day; the other in the evening. In these meetings they had programs which were interesting as future farmers.

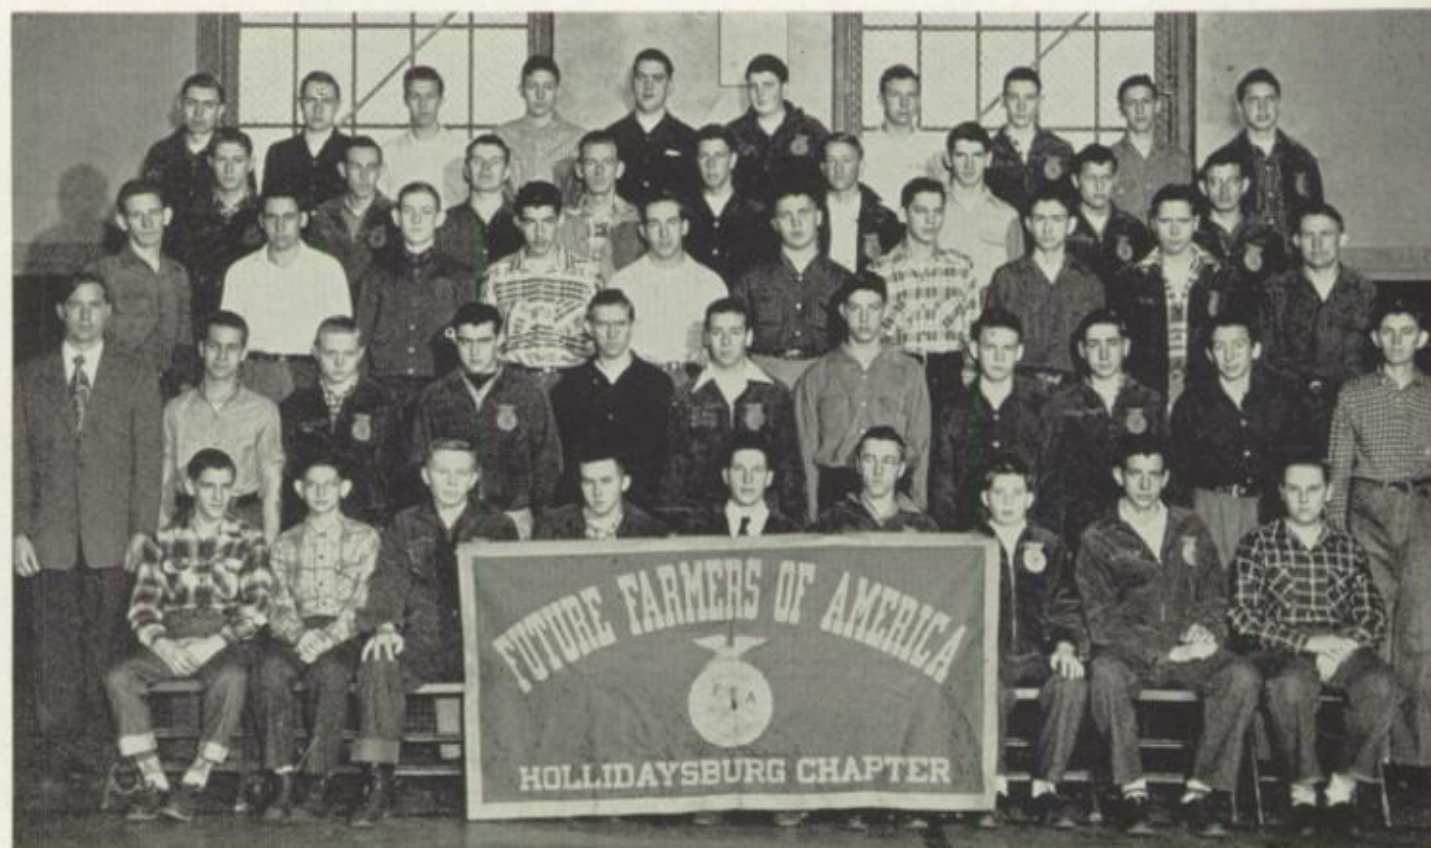

The F. F. A. had a large part in making the farm show a success in Hollidaysburg. Some of the members had entries in the State Farm Show in Harrisburg, and a few of the boys received honorable mention for their exhibits in this show.

The members will also participate in the "Chicken of Tomorrow Contest" which is held at Altoona in the Spring.

On February 6, the F. F. A. held its annual assembly. The program consisted of demonstrations of various phases of farm work. The student body was shown the manner in which a side of pork might be economically cut, the proper and improper ways of milking cows, safety first procedures on the farm, and correct methods for raising baby chicks.

The officers who served the club during the 1952-53 term were: President, Roger Snowberger; Vice President, Roger Moyer; Secretary, David Lee; Treasurer, Bill Campbell; Reporter, Orville Smith; Sentinel, Jack Imler.

## The F. F. A.

Snowberger, Diehl, Link, Keefer, Fasik, Bottemfield, Hoopes.

Second row: Mr. Walker, Fisher, Harker, Conner, Ray, Snyder, Glass, Mellot, Smith, Imler, Wyandt.

Third row: Edmundson, Russel, Leighty, Snyder, Smith, Snowberger, Long, Clapper, Feather, Walker.

Fourth row: Smith, Bottenfield, Edmundson, Gray, Culp, Stultz, Ritchey, Lee, Moyer.

Fifth row: Ford, Bem, Feather, Hite, Smith, Himes, Moudy, McCellan, Wertz, McCellan.

*First row, left to right: Patterson, Tomeo, Walls, Boyer, Beringer, Harker, Weyant, Leonard.

## French Club

### OFFICERS

<i>President</i>	JAMES LUTHER
<i>Vice-President</i>	CONNIE CALVIN
<i>Secretary</i>	MARY ANN VOGEL
<i>Assistant Secretary</i>	RUTH HARKER
<i>Treasurer</i>	STEPHANIE TREESE
<i>Assistant Treasurer</i>	SYLVIA BURK

Shortly after the beginning of the first semester, students of French desiring membership in the French Club selected their officers. The club continued the policy, of welcoming as members, students, past and present, familiar with the French language. Having on the club roster only nine veterans, it was necessary to brief the newcomers on the constitution and its provisions.

Meetings were held in room eleven after school on alternate Mondays. Most of the business meetings were of short duration in order that the members could get better acquainted and use the language.

The selling of personalized stationery and name labels was greatly encouraged as a way to supplement the dues paid by all members. It is hoped that the policy, begun last year, of having part payment for members' club pins come from the treasury, can be continued.

The social event for the year was a Christmas party held jointly with the Spanish Club in the Home Economics rooms. The "cuisine" committee, composed of two representatives from each club, arranged for contributions of food in order that the treasury need not be diminished by the "carte du jour." The party was thoroughly enjoyed by all who attended.

First row, left to right: Mento, Bender, Grove, Swope, Jeffries, Fleck, Morgan.  
 Second row: Miss Berkey, Perrin, Mentzer, McKague, Price, Shea, Wilt, Bouslough.  
 Third row: Suter, Hileman, Chamberlin, Griffith, Clapper, Troxell, Johnston.

The Spanish Club began the year by getting new members. Any student studying, or who had studied, Spanish is eligible to become a member of the Club. Each semester new members are welcomed into the club and new officers are elected. Those for first semester were President Suzanne Jeffries, Vice-President Nancy Suter, Secretary Sylvia Johnston, Treasurer Betsy Swope. Adviser Miss Ethel Berkey.

Under the leadership of these capable officers the club held their biweekly meetings on Monday. The first part of the meeting was devoted to the business of the day. The second part consisted of entertainment which was a prepared program committee of volunteers, or those appointed by the president. The programs were usually arranged to include some idea of Spanish, such as, concentration, rythm, bingo, or a spelling bee. Other times the games used English as those getting acquainted games at the beginning of the year, the favorite 20 question and stop for Spanish music.

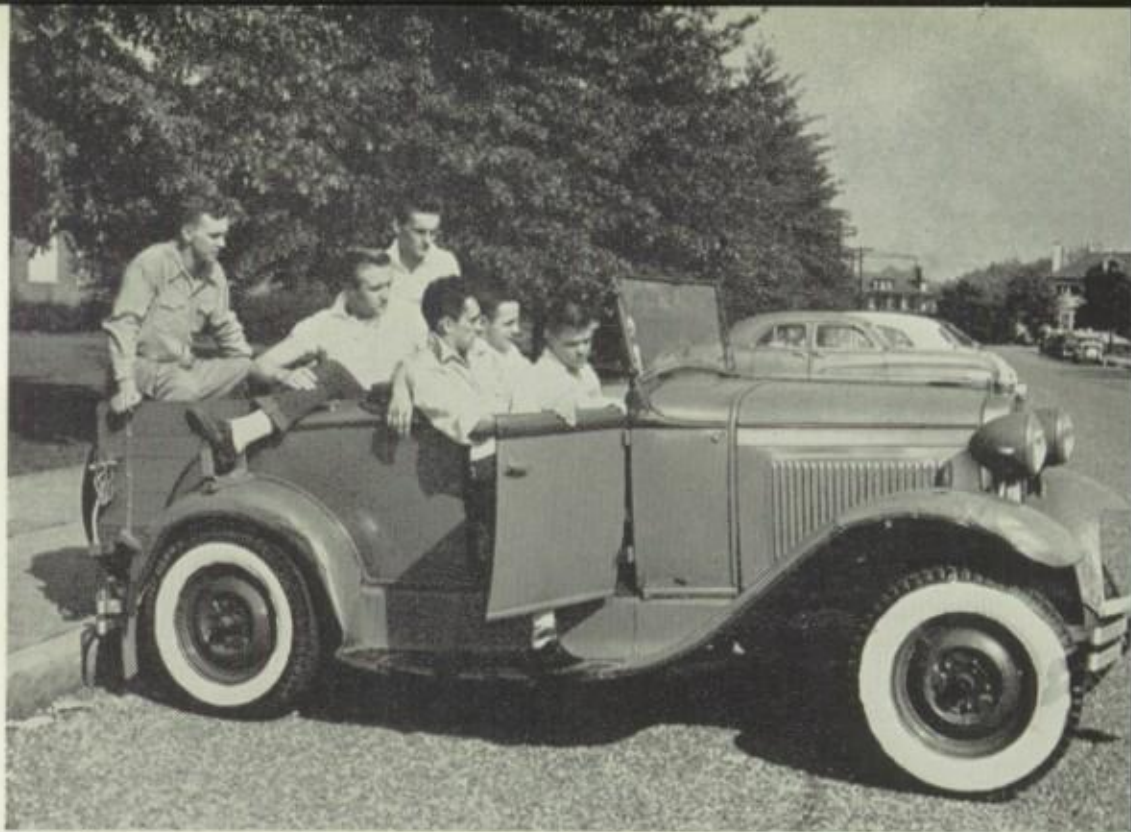

Dues were collected each week. To aid the financial situation, the club again sold personalized stationery and name cards.

The annual Christmas Party was held December 22. This year the French Club and Spanish Club combined to celebrate.

## VARSITY FOOTBALL

The 1952 varsity Tigers enjoyed one of the most spectacular seasons in Hollidaysburg football history. Under the direction of coaches Mike Durbin and Robert Dively, the split T Tigers racked up an impressive 9-1 record.

An idea of what was to come was presented in the opener as the Saxton-Liberty Wildcats were overwhelmed 51-12. Two more easy victories were recorded in the next two tilts with Roaring Spring and State College. The Jackets fell 34-6 and State lost 39-0.

The only blemish on an otherwise perfect year came a week later in the form of a 40-19 loss to Ebensburg.

Six successive victories followed the defeat at the hands of Ebensburg. Philipsburg was dropped 36-6; the Tigers waded through the smoke at the Cricket Field to subdue Altoona Catholic 19-0, and Claysburg was shut out 32-0.

Crossing the final white stripe five times in the second half, H-Burg overcame Huntingdon 40-7. Bob Straw's last minute pass reception topped Bellwood-Antis, 19-14, in the season's most thrilling contest.

A decisive 32-0 win at Tyrone brought down the curtain on a truly great season.

"Ah, coach,  
let me in!"

All that goes up  
must come down!

### *FOOTBALL AT ITS BEST!*

Hats off to the Hollidaysburg Football team of 1952. It will be some time before their equal comes along. Yes, the Tigers of '52, with their 9-1 record, gave us a lifetime of thrills, chills, and spills in just ten games. The credit can be given to no one player, but to all of them combined.

Straw, Seely, King, Reed, Pringle, Benson, Gearhart, and Soyster did an outstanding job on the line. These unheralded linesmen made it possible to have a winning season.

The backs were Fox, Nash, McGinnis, Brennen, Hammaker, and Shaw. Quarterback, Bruce Fox, probably the best signal caller in

Burg history, ran the team magnificently from the T formation. Jack Nash, half-back and the team's leading scorer, performed in top fashion as did all the backs.

Coaches Mike Durbin and Bob Dively deserve credit for having had the boys in fine shape for every game. Their fine condition was a great factor throughout the season's play.

The entire season, like Bob Straw's amazing catch in the Bellwood game, was football at its best. The amazing showing of this team will always remain as a credit to our Alma Mater.

## JUNIOR VARSITY

Headed by Coach Vince Turchetta the H-Burg Junior Varsity completed a successful football season.

After having spent two weeks at football camp, at Newton Hamilton, they came back to set a four and three record.

The first game the "Little Tigers" walked all over Bellwood with a score of 21-0. The next game ended in a loss for the J. V.'s when Huntingdon downed them by a 13-6 score. Lightning seemed to strike twice because the next game the 'Burg men were defeated by Altoona Catholic, 26 to 6.

Then the Burg really got hot, and won the next three in a row. First they defeated Tyrone 6 to 0, then they downed Bedford 7 to 6 in a very close ball game, and, finally, Juniata Valley in a 14 to 0 walk away.

The JV's finale proved to be a bad one as they bowed to the visiting Windber team to the score of 38 to 12.

*"Little Tigers"

Third row: Seely, Rhodes, Grove, Mort, Kelly, Brown, Culbertson.

# Basketball

Hollidaysburg's 1952 - 53 basketball team brought glory to the school as a result of being the only undefeated class A quintet in the state. Coach Ralph Harden's boys won seventeen consecutive games and the Mountain High League Championship for the second time in two years.

The season's opener gave an indication of what was to come as the Tigers laced Everett 96-43. Roaring Spring fell 54-48, in a close one, and Bedford was the victim of another Tiger scoring parade, 96-49. Altoona Catholic proved to be stiff competition as they were dropped, 80-69, in a thrill packed contest. Roaring Spring fell to the Tigers, 56-15.

In the initial Mountain High League contest the Burg topped a good Huntingdon five, 50-40. Easy victims over Lewistown, Philipsburg, Tyrone, Mt. Union and Huntingdon followed as the Tigers continued their torrid pace.

The Tigers easily subdued Becarria-Coalport-Irvona in a non-league game, 72-28.

The undefeated skein of the Burg continued as the defending champs rolled past Lewistown, Philipsburg, Tyrone and Mt. Union for the second time. A final victory over Altoona

MR. HARDEN

Catholic, 53-38, concluded the first perfect season in Hollidaysburg basketball history.

As champs of the Mountain High League, the Tigers entered District 6 competition against Lock Haven at Juniata College. Led by Bruce Fox's 18 points, the Burg won their eighteenth, 49-38.

The district finals went to a taller Johnstown squad, 59-48. The Tigers displayed brilliant floor work and shooting in going down to their only loss of the season. Allen Griffith, the county's scoring champ, led all scorers with 18 points. The entire team was magnificent in their heart-breaking defeat.

First row, left to right: Ratchford, Horner, Nash, McDonnell, Kabella, Griffith, Stayer, King.  
Second row: Criste, Hughes, Soyster, Mr. Hill, Mr. Harden, Mr. Erb, Brennan, O'Brien, Fox.

42	Altoona Catholic	37

Coach Charles Hill's Junior Varsity quintet concluded an excellent 1952-53 schedule with an impressive 13-4 record.

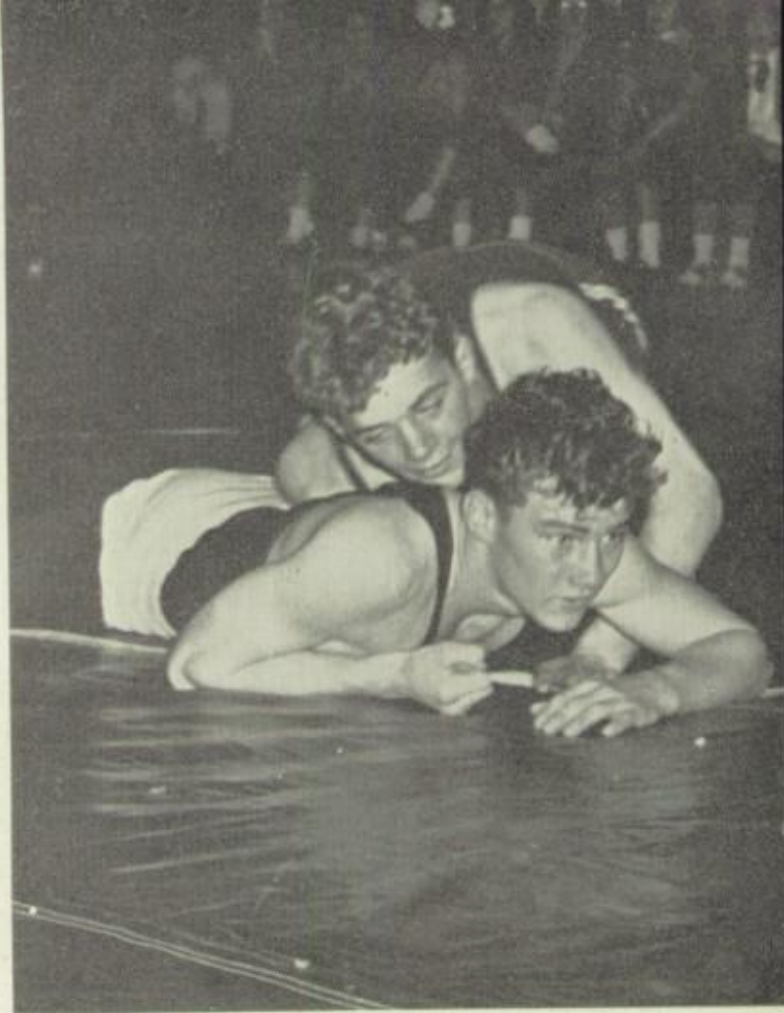

The little Tigers opened the campaign by outscoring Everett, 46-19 at the Tigers court. Roaring Spring edged the Burg, 31-30, in the second contest for the first defeat of the season. Bouncing back, the Tigers won their next four games in rapid succession. Bedford was outdistanced, 71-33, while Altoona Catholic was subdued in a tight 38-32 tilt. The Tigers gained revenge for their initial loss to Roaring Spring by jolting the Jackets, 53-31 in the return contest. In the first Mountain League contest, Huntingdon was disposed of, 61-18.

The Burg was handed their second loss by Lewistown, 56-42, but came back to rout Philipsburg, 48-11. Tyrone was dropped easily, while Mt. Union edged the Tigers 49-45. After easy wins over Huntingdon and B. C. I., the Golden Tigers lost their second game of the season to Lewistown, 49-38. The jayvees won their last four games to wind up a fine year. Philipsburg, Tyrone, Mt. Union, and Altoona Catholic were defeated in close, well played games.

The very successful year of the jayvees gave an indication of good basketball for next year at Hollidaysburg.

# Wrestling

Grunt and groan experts!

The Hollidaysburg wrestling squad, under the leadership of coach Joe Gallagher, completed a successful 1952-53 season with six wins, one tie, and two setbacks.

The Burg matmen won their opener at Cresson by a decisive 34-16 score. Philipsburg edged the Tigers, 22-21, in the following encounter to even the Tigers record at one win and one loss.

Coming back strong, Joe Gallagher's men subdued Indiana, 31-13, in the initial home meet. Clearfield jolted the Blue and White, 29-11, for the second and final defeat of the season.

Bedford was overcome by the Tigers, 28-9, and Tyrone fell victim to the home team, 22-18. After a 17-17 deadlock with State College, the Tigers brought the regular season to a close by outpointing Lewistown, 27-11.

An additional unscheduled match with Cresson went to the Tigers, 33-6.

Outstanding matmen of the season were Joe Hammaker (138), who was undefeated in regular season competition, and Bill Campbell (145), who lost one match. Both Hammaker and Campbell placed third in district action.

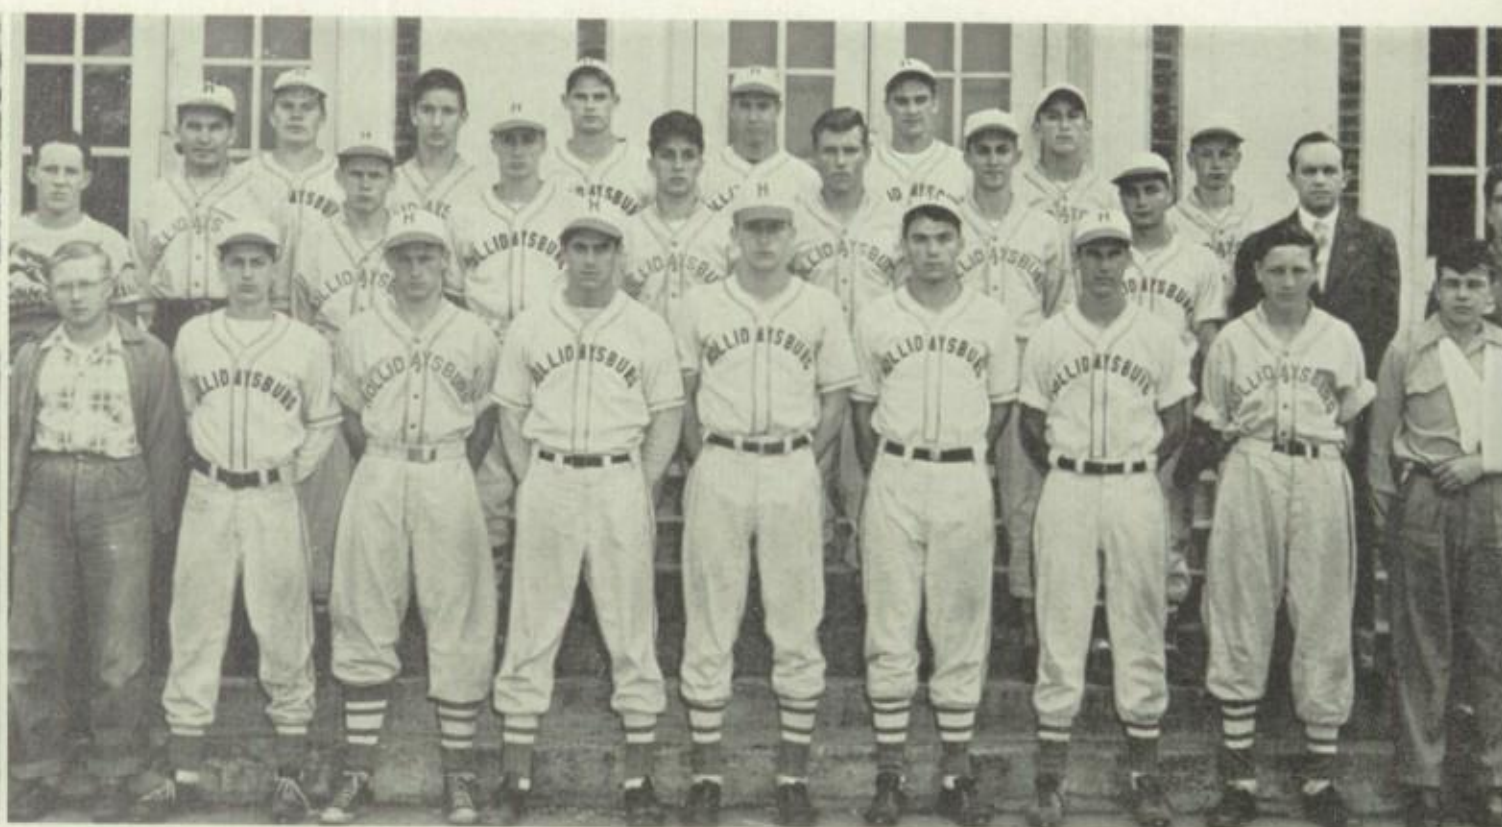

First row, left to right: Beck, Jackson, McMaster, Walters, McKee, McKague, Hammaker, Campbell.  
Second row: Emeigh, Walls, McGinnis, Claar, Pringle, Prough, Grove.  
Third row: Mr. Erb, Clapper, Rorabaugh, Eicher, Zeth, Irvin, Delozier, Merritts, McGee, McGinnis, Imler, Mr. Gallagher.

Showalter and Cole.

 Second row: Leidig, Miller.  
 Third row: Harden, Glass, Griffith, Hartman, Prough, M. Hartman, Eicher, Miller.  
 Fourth row: Culp, Albright, Fox, Snowberger, Nash, Miller, Detwiler.

# B a s e b a l l

For the fifth consecutive year, the Hollidaysburg Tigers, led by Coach Harden, fought their way to the Blair County Baseball Championship.

The Tigers started the excitement by shutting out Williamsburg 15-0. The next thrill came on Wednesday, April 30, when Ron Harris turned in a sparkling 7-1 no hit victory for the Alma Mater against Roaring Spring. The fifth straight victory came against Roaring Spring again when the Tiger nine hammered out fifteen hits for a score of 17-4.

Number six came when the Tigers beat Claysburg 8-3 on the home field. Hollidaysburg was assured a first place tie by beating Williamsburg 3-1 on the W-burg field.

The 10-1 victory over Cove High in the all-important last game gave the Tigers their fifth straight championship.

Hollidaysburg finished the season with a record of eight wins and no defeats. The Tigers had ninety-five runs, ninety-four hits and sixteen errors.

The pitching staff struck out 91 opponents and gave up only 15 bases on balls.

*First row, left to right: Mr. Dively, Henry, Luther, Harker, Cruse, Moyer, Hazenstab, Fisher, Lynn, Harker, Reed.

Third row: Helsel, O'Brien, Benson, Hess, Wilt, Seely, McNelis, Brennan.*

Wilt warms up

## TRACK

The H-Burg thin-clads opened the track season on Tuesday, April 29, with a meet at Bellwood.

At a triangle meet at State College, Coach Dively's men took second place with 36 points. Ray Wilt, by heaving the iron ball 42 feet 3 inches, placed first in the shot-put event. Hollidaysburg placed third in the next meet at Huntingdon, with  $28\frac{2}{3}$  points, but because of the many individual honors, this meet was perhaps the best of the season. Ray Wilt and Jay Helsel captured respective first places in the shot-put and high jump. Other place winners were: Joe Keuhn, second in discus; John Hess, tied for second in pole vaulting; Bob O'Brien and John McNelis tied for second place in the high jumping event.

The season was topped off by the coaches relay; a meet composed of relay teams picked by the various track coaches; and by the annual district VI meet, a regular track meet in which all the class A schools in the District participated.

# G. A. A.

## OFFICERS

<i>President</i>	SHIRLEY STONE
<i>Vice-President</i>	NANCY SUTER
<i>Sec.-Treas.</i>	BONNIE KENSINGER
<i>Awards Chairman</i>	NANCY REID
<i>Social Chmn.</i>	NORMA CLAYCOMB
	JUNE RITCHEY
<i>Adviser</i>	MISS JANET GARLING

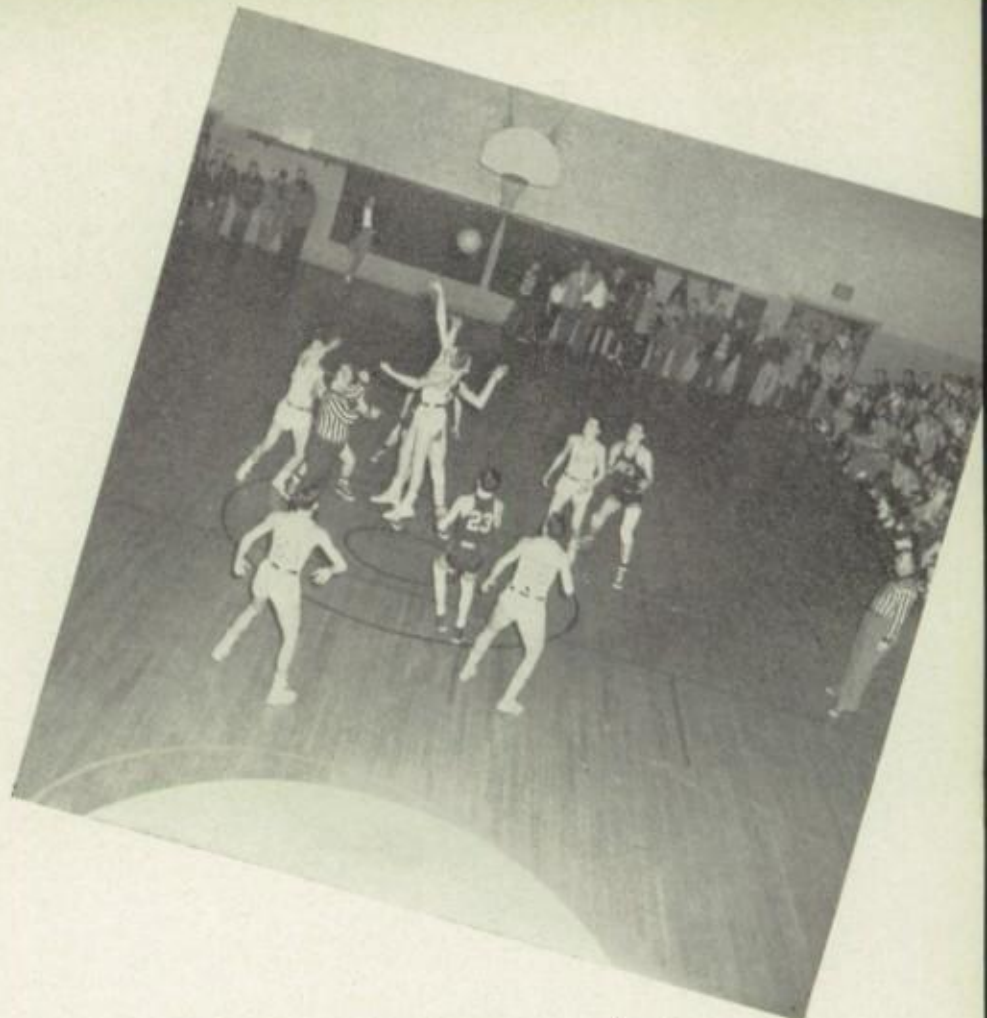

The G.A.A., or Girl's Athletic Association, has many aims, but the most important one is to promote good sportsmanship among girls.

By participating for one hour in such sports as bowling, basketball, tumbling or archery, any one can earn three points. An hour's time spent in lesser sports such as hiking, dancing, hunting or ping-pong entitles a member to two points. Fifteen points are received by the president for her election to office, and ten points to other officers. Students participating in intramural sports earn points, as do the cheerleaders and majorettes. Fifty such points are required before you may become a member. For 350 points, numerals are given, and a girl with 750 points receives a letter "H". The president receives a star, and if a letter is possessed for one year, a chevron is awarded.

A member may not miss more than three meetings a semester nor more than four socials a year. If a member does not meet these requirements, her name will be dropped from the roll. There is one special activity a month. Some of these that should be given special attention are: Gym night September 11, Halloween party October 31, Swimming party November 25, and skating January 28.

# Varsity Club

Members in action!

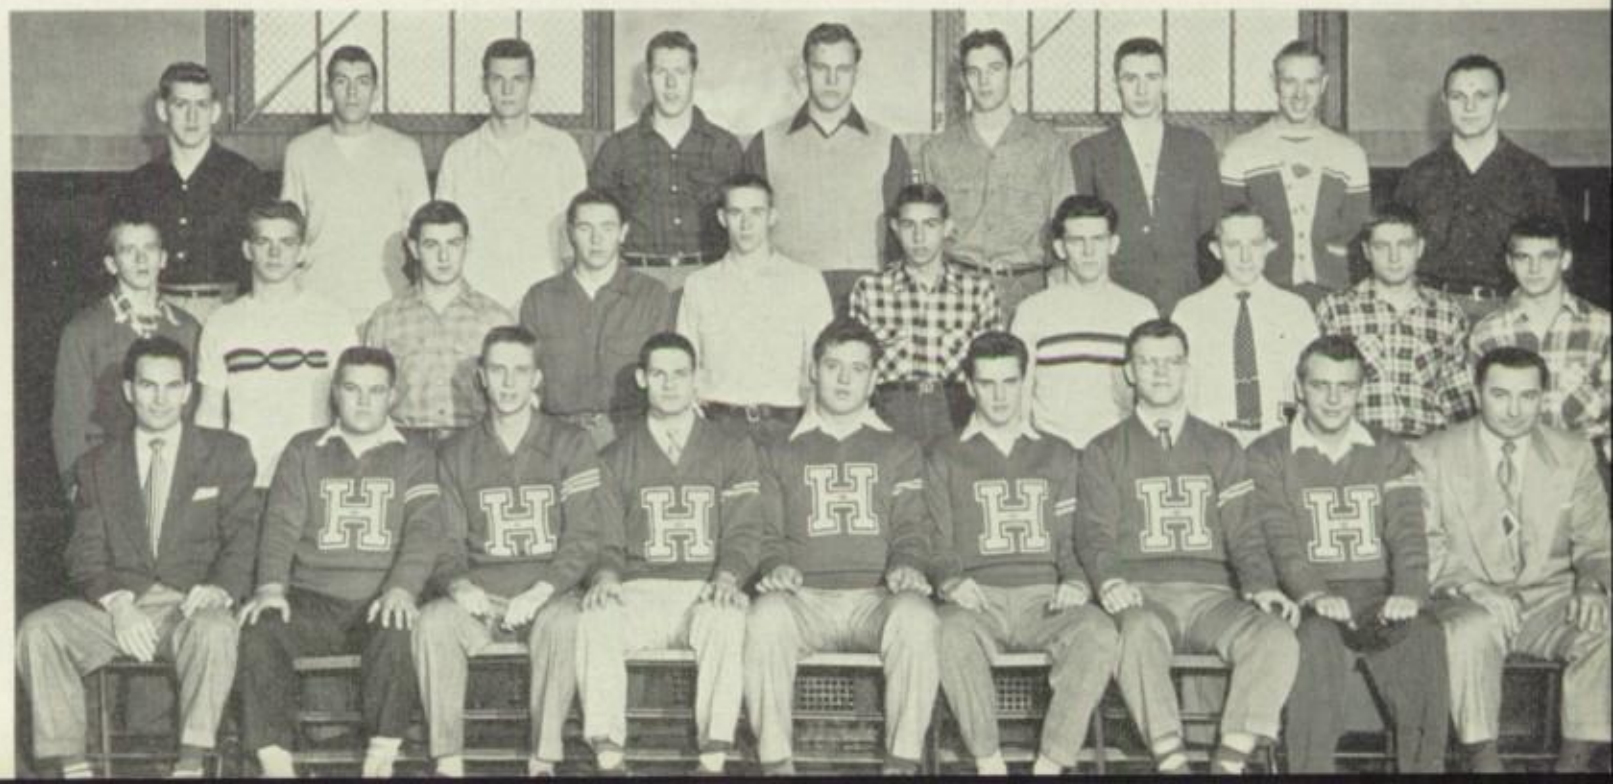

This year the Varsity Club has functioned under the expert guidance of Mr. Harden and Mr. Durbin.

The main purpose of the club is to purchase sweaters for the senior "lettermen" who qualify in one of the following ways:

- (a) Two years on the varsity of a major sport;
- (b) Three years on the varsity of a minor sport;
- (c) One year on the varsity of a major sport, plus one year in a minor sport.

In order to raise money to buy these sweaters the club sold pop corn during football and basketball season, ably assisted by Miss Garling and Mr. Harden, who helped out at the football games.

*First row, left to right: Mr. Harden, King, Soyster, Fox, Seely, Nash, Reed, Gearhart, Mr. Durbin.  
Second row: Jackson, Hammaker, Hamill, Ratchford, McKague, Horner, McKee, Kabella, Eicher, McMaster.  
Third row: Pringle, Criste, O'Brien, McNelis, Benson, Shaw, Griffith, Snowberger, McGinnis.*

*First row: Harker, O'Brien, McTigue.  
Second row: Jeffries, Davis, Wilt.*

## *Cheerleaders*

The H-Burg High School walls rocked with spirit during 1952-53 through the team work of Suzy Jeffries, Ruth Wilt, Barbara McTigue, Ruth Harker, Janet Davis, Lois O'Brien, and substitute Norma Claycomb.

The girls used dark blue megaphones, purchased this year, while they led the students with snappy new cheers at the athletic events.

Cheerleaders were present at the football banquet in November held at the YM-YWCA building. Under the supervision of Miss Garling, each cheerleader did her part to mold this year into one of the best at H-Burg.

## *Bowling League*

The 1952-53 season of the High School Bowling League had eight teams, four of which met Wednesday and the remaining ones which met Thursday. The teams meet weekly after school at the "Y". The captains of the Wednesday teams were: John Troutwein, Dalleen Hamilton, Ed Detwiler, and David Harlin. Carol Brady acted as secretary. Thursday's captains were: Fred McGee, Ronnie Claar, Ed Houck, and Donald Leighty. Shirley Keagy was their secretary. With the help of Mr. Cecil Fox, the members of the league tried to learn the fundamentals of bowling and to carry them out by "rolling" good games. What fun these bowlers had competing against one another and trying to get strikes!

*First row, left to right: Hammaker, Brady, Sherwood, Weyant, Teeter, Shoenfelt, McTigue, Morgan, Shaw.  
Second row: Mr. Fox, Stiffler, Fleck, Hamilton, Wilt, Hamill, Troutwein, Hilling, Hopkins, Renner, Glunt.

## Craftsmanship—

*The finer material things of life are made by a fusion of the baser elements of nature with human aspiration—which finds expression in superior-**Craftsmanship**.*

A high tribute to human intelligence is that man can take a piece of clay and make of it a thing of beauty. In all of the processes of this transformation there must be a guiding mind; that mind itself is guided by aspiration—in the simpler processes, such as the mixing of clay with other materials, that aspiration is in its lower form, but in each successive endeavor a higher form is evident until the completed vessel reaches the hands of the artist for decoration.

Here we have man at his best, creating beauty, that which there is no greater earthly endeavor. The thought or sentiment that guides his hands are the result of aspiration; the skill with which his hands work is craftsmanship. Either would be ineffective without the other; when combined a thing of both beauty and utility results.

We have chosen a clay vessel to illustrate this point, but these things apply to all else that can have an element of beauty. Printing is no exception.

Skilled hands alone cannot produce the highest grade of printing. There must also be aspiration to do better what thousands do well. There must be a combination of natural talent, knowledge gained from experience and, of course, the necessary tools.

Every printer has these in some degree. The difference between printers is the degree in which they have them. When they are present in a high degree, they result in beauty and useful printing. The extent to which we have them, has gained for us a high appreciation among many patrons.
